Re: March 2001 Savings Bond Value File Available for SCTeller
Date: February 12, 2001

Here is the March 2001 savings bond value file. Please update SCTeller before March.

Special Instructions for Updating Savings Bond Value Files

- Save the attached file to the network path/location of your SCTeller database on your network drive.
- Open Windows Explorer (right click the start button, select Explore).
- Navigate to the network location of your SCTeller database and verify that the file has been copied.

SCTeller will automatically look for the updated file in March.

If you have any questions, please call Synergy Technology technical support at 713.621.5577.
